

POP MEDLEY 2027

BETTER WHEN I'M DANCIN'

Don't think about it,
Just move your body,
Listen to the music sing, oh way oh!
Just move those left feet,
Go ahead, get crazy,
Anyone can do it, sing oh way oh!

Show the world you've got that fire.
Feel the rhythm getting louder,
Show the world what you can do,
Prove to them you got the moves, hey!
I don't know about you,

But I feel better when I'm dancin', yeah, yeah!
I'm better when I'm dancin', yeah, yeah!
Oh, we can do this together,
I bet you feel better when you're dancin', yeah, yeah!

Bap bap ba da da da da da da.
La la la da da da.
La la la da da da.
Bap ba da da.

Bap bap ba da da da da da da.
La la la da da da.
La la la da da da.
Bap ba da da.

ZOO (01:07)

We live in a crazy world,
Caught up in a ratrace.
Concrete jungle life
Is sometimes a mad place.
It's you and me together,
At the end of a wild day.
Don't keep it all bottled up,
And release your energy.

Ay, oh, ay!
Only reason we are here is to celebrate
In a place where anyone can be anything.
Hold onto this moment, don't let it fade away,
Baby, keep the music playing.

Come on, get on up,
We're wild and we can't be tamed,
And we're turning the floor into a zoo, oo, oo.
Come on, keep it up,
It's fun if you're down to play,
And we're turning the floor into a zoo, oo, oo.

Up, up, up, up, a zoo, oo, oo.
Up, up, up, up, a zoo oo oo.
Up, up, up, up, a zoo oo oo.
Up, up, up, up, a zoo, oo, oo.

POP MEDLEY 2027 continued

MY STUPID HEART (02:07)

My stupid heart, don't know,
I tried to let you go
So many times before,
Then wind up at your door, my stupid...

Can't believe I haven't figured out by now,
Every time I call you up,
All you do is let me down.
Should have known there was nothing 'bout us I could change.
Every time we try and be friends,
It always ends the same.

But when I try to remember
All the pain that we've been through,
Something in me says "whatever"
And it brings me back to you.

My stupid heart, don't know,
I tried to let you go
So many times before,
Then wind up at your door, my stupid heart.
Too late, already on my way,
If we go down in flames
Again then you can blame my stupid

Heart, heart.
Woop, woop. Okay! Okay!
Then you can blame my stupid

Heart, heart.
Woop, woop, Okay! Okay!
Then you can blame my stupid heart.

FREE (03:30)

I tried to hide but something broke.
I tried to sing, couldn't get the notes,
The words kept catchin' in my throat.
I tried to smile, I was suffocating though
But here with you, I can finally breathe.
You say you're no good but you're good for me.
I've been hoping to change, now I know we can change
But I won't if you're not by my side.

Why does it feel right every time I let you in?
Why does it feel like I can tell you anything?
We can't fix it if we never face it.
What if we find a way to escape it?
We can be free, free.
We can't fix it if we never face it.
Let the past be the past 'til it's weightless, oh.

STAY (IF YOU WANNA DANCE) (04:42)

Late night, stuck in my head,
This apartment's getting colder, colder, got to get out.
All night, stuck on low pay,
Stuck in my ways, turning circles, circles, dreaming about
Running wild in the city.
Free my mind, let my body go.
Life's too short, are you with me?
Come on, come on, come on.

If you wanna dance, take my hand, take my hand.
Cancel all your plans, take a chance, take a chance.
Ain't got forever, we only got today.
If you've got a night to feel alive, then baby, stay-ay-ay.

If you wanna dance, take my hand, take my hand.
Cancel all your plans, take a chance, take a chance.
Ain't got forever, we only got today.
If you've got a night to feel alive, then baby, stay-ay-ay-ay-ay.

FEEL THIS MOMENT (05:44)

One day, when the light is glowin',
I'll be in my castle golden
But until the gates are open,
I just want to feel this moment.

Woah,
I just want to feel this moment.
Woah,
I just want to feel this moment.

(Instrumental)

I just want to feel this moment.

JUMP!

Woah,
I just want to feel this moment.
Woah,
I just want to feel this moment,
I just want to feel this moment now!
